

DO YOU WANT TO STRENGTHEN OUR VISUAL COMMUNICATION?

As a Graphic Design Intern at Dansk Skoleskak (Danish Scholastic Chess Federation) you will be working with layout for everything from invites to the production of short learning videos. You will develop your skills in different areas, including design, layout, editing and productions for web, video and pictures.

Tasks

You will be a part of the team working to assure that we have a clear and distinct image – outside and inside the organization. You will be in charge of invites and handouts for the 30.000+ students participating in skoleskak, and produce learning videos for teachers from 450 schools using scholastic chess in e.g. math. Tasks could also include:

- Responsive web design
- Layout of our member magazine 'Skoleskak'
- Design of info material and brochures
- Development and optimization of our web designs

You will contribute to a sharp and clear visual communication of our vision of scholastic chess being synonymous with learning, concentration and skill development.

We need you ...

If you are up for a challenge! It is important to us that you experience a professional development during your stay. The learning curve is steep – which makes gumption and the desire to solve big and small tasks with commitment and professionalism important. You enjoy working independently and analytically in an environment where the road from idea to action is short – and your ideas are welcome. You might be studying Graphic Design at i.e. KEA and you are strong in Adobe for both web design and print. Knowledge about WordPress is an advantage – but not mandatory.

We offer ...

An educational semester with a possibility to test your skills in a professional organization. A dynamic, young and informal environment where you will be responsible for your own tasks and work in teams with your colleagues. Coaching in regards to skills and tasks will happen at development conversations and with a training supervisor.

Info

We hope to have you on board from the 4th of January to the 24th of June 2016 (can be planned individually). Work hours are 37h a week at our National office at Skolehuset in central Copenhagen. The job opening was posted the 17th of September and we close for applications when we have found the right candidate. Send a short, motivated application ASAP (max 1 page), your CV and grade transcript to job@skoleskak.dk. Subject: "Graphic Design Intern".

Questions? Contact Chief of Adm. Kristian Nygaard, kristian@skoleskak.dk / +45 4098 8478.

About us

The Danish Scholastic Chess Federation is a socially engaging children- and youth organization working to create learning and education. Principals, teachers and students founded the organization in 1960. Today Scholastic Chess is an educational offer at more than 450 schools in 90 municipalities, because it strengthens student's professional and social development. Find out more at www.skoleskak.dk.
