

# The Danish Scholastic Chess Federation are looking for a paid IT intern who wants to help children achieve better learning

Are you passionate about IT-development and do you want to use your programming skills in an internship, where you will be helping children achieve a life with learning and education?

If that sounds like you, you should test your skills in a dynamic organization working to the sound of a public school reform rumbling away. It is challenging, ambitions are high, and we need you on our team!

## Assignments

As an intern you will be contributing to better learning by developing tools to help ensure effective guidance. Reporting to our IT programmer you will be:

- 👑 Optimizing websites i.e. skoleskak.dk and skakshoppen.dk
- 👑 Developing online learning tools
- 👑 Developing new features for our CRM member system.

## We expect...

You are a positive person with ambitions and a go-getter personality. You are experienced in programming, websites and apps. You are studying at e.g. KEA, ITU, or DTU, and you are most likely familiar with Wordpress, PHP, Laravel, MySQL, jQuery and JavaScript.

## We offer...

- 👑 An internship in a dynamic, young and informal environment
- 👑 Responsibility for your own tasks with the opportunity to work independently
- 👑 Professional and personal challenges, coaching and development
- 👑 Opportunity to develop and test your skills.

## Time period

17<sup>th</sup> of August – 18<sup>th</sup> of December 2015 (dates can be arranged individually). 37 hours a week at our office in central Copenhagen, 100 meters from the Danish Parliament.

## Application and deadline

Send a relevant CV and a short motivated application (max 1 page) to [job@skoleskak.dk](mailto:job@skoleskak.dk) using the subject line: "Intern – IT".

We will be reviewing candidates as we receive applications and will close the recruitment process once we have found the right candidate. Please send us your application ASAP – we are looking forward to hear from you.

## Questions?

Please contact Head of Administration Kristian Nygaard at [kristian@skoleskak.dk](mailto:kristian@skoleskak.dk) or phone +45 4098 8478. We encourage everyone regardless of gender, age and nationality to apply for the position.

### FACTS

The Danish Scholastic Chess Federation (DSCF) is working to increase learning and education. Principals, teachers and students started the organization. Scholastic Chess is offered at more than 400 schools in 80 municipalities, where it is used to strengthen the professional and social development of children. Scholastic Chess is based on more than 50 years of Danish practice; its strengths are recognized by experts and documented by national and international studies. DSCF is advising municipalities, schools, principals, teachers, parents and students.
